

2020 Summer Internship

Position Details:

Location: Camarillo, CA
Category: Professional
Status/FLSA: Temporary, Non-Exempt
Date: 03/10/2020

Job Description:

Yazaki Innovations Inc. (YII), Corporate Innovation Center of Yazaki Corporation is seeking a talented and highly motivated individual to fill a 2020 Summer Internship position.

Yazaki Corporation offers a diverse range of products in the global automotive and energy system sectors. With more than 300,000 employees in more than 45 countries, Yazaki is one of the world's largest suppliers of automotive wiring harness. Yazaki is ideally positioned to integrate new advances in Artificial Intelligence, Autonomous Systems, and Computer Vision alongside the traditional automotive connectivity and distribution systems.

We are looking for an undergraduate or graduate student enrolled in Computer Science or similar degree program who is interested in working in a technical role at YII during their summer break. The student will be engaged in a variety of data collection, programming, and other leading-edge research activities. The student will work both independently and in a team environment. Work requires confidence in programming, mathematics, and good writing skills.

Responsibility:

The internship tasks may include:

- Deep learning model performance verification.
- Data selection and labeled data validation.
- Research, identify, and collect data sets from Internet.
- Execute and document functionality testing results.
- Work with team to develop Python based applications.
- Setup and configure edge computing devices.

Requirements:

- Programming skills, preferably Python and C++.

YII offers competitive compensation and authorization to work in the U.S. is a precondition to employment. Candidates are requested to send cover letter and resume to hr@yii-us.com. Reply Code: YII-SI-2020.

"YII is an Equal Opportunity employer.

All qualified applicants will receive consideration for employment without regard to race, color, religion, sex including sexual orientation and gender identity, national origin, disability, protected veteran status, or any other characteristic protected by applicable federal, state, or local law."
